We would like to divide the services the PTC provides the school into smaller, "bite sized" bits. The aim of this is two-fold, to increase the NUMBER of parents participating while DECREASING the amount of time they need to volunteer for. The goal is to keep it around the 2 hours commitment we ask each parent to make. There are some jobs that do take more time, and some less. We even have jobs that don't require coming to school AT ALL! For a description of the jobs available, see our Facebook page.

There is something to fit everyone's time & talents!

We kindly ask all volunteers to turn in their Criminal Background checks and their certificate of completion for the Safe Child Environment Training prior to any volunteering work!
